# CONVERSION FRAME

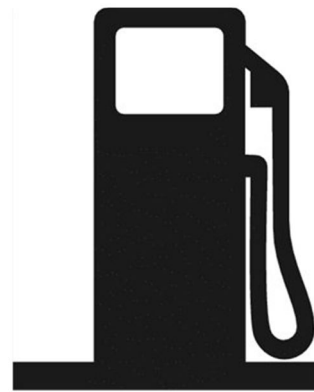

UPGRADE YOUR DISPENSER WITHOUT CHANGING UDC'S!

**SAVE TIME & MONEY!**

The Western Fiberglass *Conversion Frame* allows you to upgrade your dispenser without breaking ground to change out your dispenser sump. It attaches directly to the existing dispenser sump and provides a water-proof transition to the new dispenser.

- ✓ Easy to Install
- ✓ Fully Testable
- ✓ 3rd Party Approved
- ✓ 10-Year Warranty

If you are ADA compliant, our low-profile frame allows you to upgrade dispensers while remaining in compliance.
